Clean Valley Recycling's mission is to provide materials management services and to inspire and educate the residents of Southeast Colorado to **reduce, reuse, and recycle!**

A portion of the proceeds from our plastics recycling program benefit student organizations and other nonprofits who volunteer to help recycle on Saturday mornings. If you are interested in scheduling your organization to help,  
Call 468-0254

**We gratefully acknowledge  
Colorado Department of Public  
Health and Environment and our  
many supporters and  
contributors who make Clean  
Valley Recycling possible!  
Thank you!**

## Cardboard

Cardboard is the single largest component of waste from businesses going to our landfill and it is one of the easiest items to recycle. So don't throw it in the dump – recycle it!

- Break down and flatten your cardboard, corrugated cardboard or paper-board (cereal boxes, etc) and stack in an intact box.
- Do not include any cardboard contaminated with oil, grease, food or chemicals
- We would be happy to come and pick up cardboard at your place of business for a minimal fee.
- Call us to set up a schedule 468-0254.

## Electronics

Electronics Recycling is available at the Swink Sugar Factory location only. We are partnering with 3R Technology Solutions to ethically recycle your electronics.
